Motion by J. Lunt to approve the minutes from May 4th 2020, second by S. Brake. **Motion Passed**

II. Old Business

- a. The board opened the floor to anyone who wanted to speak on behalf of the town meeting, if they had any concerns, none were given. Meeting will proceed as planned. Due to health Duncan Bond has informed the board he will not be able to be moderator this year.
- b. Town Dumpster- The board discussed the rental of roll off dumpsters twice a year so that unwanted metal and other debris that can not go into the normal dumpster be taken off. This topic has been discussed in the past, and the fear of others using it more and filling it faster is a concern, but the board feels if we do this, it will deter the public from throwing the metal behind the dump, and at the pit. We also feel if we begin to do this now, within a few years we can hopefully only rent one dumpster a year. Motion by J. Lunt to rent a first roll off dumpster from gotts, second by S. Brake, **Motion Passed**
- c. Coastal Energy- There was some miscommunication with Costal and the Ferry service, but it has been resolved and the propane truck will be here Wednesday.
- d. Community complaint- The board received a complaint from a community member about Z. Lunt fuel truck. The truck is on the edge of the road making it very difficult to see, and a hazard, as well as the truck is leaking fuel, and it is leaking towards the town wharf and harbor.
- e. BMV- the town is trying to work its way towards online car renewal registration. The process is more costly then we originally thought.

III. New Business
